Letter n<sup>o</sup>.  $\frac{713}{31}$ , dated 4<sup>th</sup>  
February 1902, from the Deputy  
Commissioner, Shimoga District  
in re the Government Auma Chatram  
at Shimoga.

————— " —————

The Government Auma  
Chatram at Shimoga is in  
the enjoyment of an annual  
Jardik allowance of Rs 500. 4. 0

The Deputy Commissioner  
after inspection, reported in  
his letter n<sup>o</sup>.  $\frac{575}{27}$ , dated 14<sup>th</sup>  
December 1901, that the building  
in which the above Chatram  
was located was in a state  
of great disrepair, and sub-  
mitted for the sanction of  
Government an Estimate  
for Rs 420 for the repairs thereof  
proposing to meet the cost  
by the stoppage of feeding in the  
Chatram temporarily until  
such time as would be.

necessary to accumulate sufficient funds out of the savings of the Tasdik amount sanctioned for the Chattram. He also proposed that the services of the servants on the Chattram Establishment might be dispensed with, as each and every one of them was from old age or other disqualification incapacitated from further service, and that bona fide travellers could, during the period in which the Chattram ~~was~~ <sup>will be</sup> under repairs, find ~~there~~ accommodation in the Courpalais Chattram close by.

Thereupon the Deputy Commissioner was asked to submit a list of the regular Establishment of the Chattram, the monthly cost of feeding and of the Establishment and the savings that would be effected out of the annual Tasdik grant after defraying all the above expenses.

In reply, the Deputy Commissioner has submitted a statement furnishing information required on all the above points. From it, it is observed that ~~after defraying~~  
<sup>annual</sup> the Establishment charges amount to ~~Rs 152. 4. 0~~ and the feeding charge ~~is Rs 348. 0. 0~~. ~~There are no regular savings by the stoppage of feeding in the Chattram.~~

As the repairs to the Chattram are estimated to cost Rs 420/-, the feeding in the Chattram will have to be stopped for a year and 3 months if the services of the servants are retained; but if dispensed <sup>as recommended by the D.C.</sup> with, the feeding need <sup>not</sup> be stopped longer than 11 months.

Submitted.

~~Orders are solicited as to whether the proposals of the Deputy Commissioner in regard to the stoppage of feeding in the Chattram and the dispensing with <sup>present</sup> existing of the services of the Chattram servants may be sanctioned.~~  
 submitted.

As it is undesirable to  
stop feeding for a long time  
in a place like Shumoga  
sanction the estimate  
of Rs 420/- from the State  
Grant of this year, and  
ask the Dy. Commr to complete  
the work before the end  
of the current off year.  
and not allow the amount  
to lapse -

The servants must  
be made to work.

Deputy Commissioner's office  
Shimoga District  
Shimoga 14<sup>th</sup> December 1901.

From N. Karasimurugan Esq.  
Hq. Deputy Commissioner  
Shimoga District

To L. Anantawami Rao Esq.  
Deputy Secretary to Government  
Muzroy Department

Sir,  
I have the honour to report  
that the Government Anna Chattram  
Building in Shimoga is badly in need  
of repair; the premises itself being in  
a very insanitary condition. In com-  
pany with one of the Dharmadarses  
and the Vice President of the Shimoga  
Town Municipality, I visited the Chattram  
some time ago and ordered a small  
estimate to be prepared, for work  
immediately required to be done to  
restore it to a fairly good condition.  
Such an estimate has been prepared  
and is herewith submitted. It amounts

to Rs. 420/- . It is proposed to provide funds for this purpose by temporarily stopping the feeding of travellers in the Chatram for a time i.e. such time as is necessary to accumulate out of the savings thereby effected the amount necessary to meet the cost of Repairs.

2. The temporary closing of this Chatram is not likely to cause any inconvenience by way of accommodation to Bona fide Travellers and temporary sojourners who can all find the required accommodation comfortably in the new Courpalais Chatram close by on the margin of the Junga River to which there are at present 2 Sweepers on Rs 5 allowance paid from the District Funds. It would be necessary, I submit to attach an extra menial servant to this new Chatram on Rs 5 per mensem out of the savings of the feeding charges of the Government Chatram above alluded to, in order to ensure proper attention being

paid to people who resort to it.

3. As regards the Velundars—  
Servants at present attached to the—  
Government Chatram, the Dharma-  
Darses are unanimously of opinion  
that they are all unfit for further  
service through old age and in-  
capacity of one kind or the other.  
This is a fact. The Mutsuddy Sishajiri  
Rao is 50 years old and untrust-  
worthy. The cook Sishajirachar  
58 years old, is deaf and unfit for  
work. The Paracharhi woman is also  
advanced in age. Finally, Gollar \* 58 years  
Yadavakrishnachar \* 65 years  
aged man from whom the Chatram  
can derive no benefit. The sweeper ⊗ 45 years  
woman will not be required till the  
Chatram building is duly repaired.  
In these circumstances the services  
of these servants may, it is proposed,  
be dispensed with altogether, as under

Sir,

I have the honour to submit  
herewith for sanction an estimate in  
duplicate amounting to Rs. 263/-  
for repairing the Government Anna  
Chattram at Shemoga.

2. The Amildar of Shemoga Taluk  
reports that the ridge poles, bamboos,  
rafters &c supporting the roofing  
of the building are entirely eaten up  
by white ants & the roofing is leaky  
and that the building is therefore in  
need of urgent repairs.

3. Such items as are found necessary  
have been included in the enclosed  
estimate with rates as low as possible

4. There is only a sum of Rs 81.14.11 at the credit of the institution on 1<sup>st</sup> May 1906.

5. As Shemaga is a place of much importance being the Head Quarters of the District and the centre to the <sup>different</sup> places of pilgrimage, such as, 'Udape', 'Gokarna', 'Swade' and also situated at the Railway terminus, the pilgrims and travellers from different places of the District and also from other distant Districts have been constantly making halts in the platform on their way and in consequence suspending the feeding expenses to those who deserve and dispensing with the establishment required therefor for such period as it is necessary in order to meet the excess cost of only Rs 182/- do not seem to be advisable.

6. I therefore request you will kindly obtain the sanction of Government for the work being carried out. The balance of the estimated cost may be met from

the

the State grant at the disposal of  
Government.
